

ABOUT THE VETERINARY CARE FOUNDATION:

The Veterinary Care Foundation (VCF) is a 501(c)(3) not-for-profit charitable foundation and was created to support local veterinary practices in their humanitarian work. Unlike most charitable organizations, the VCF's expenses are funded entirely through membership dues—this means that 100% of every charitable dollar contributed by our practice, on behalf of our members, is used to directly fund the care of animals in your community.

Please check out our website at VetCareFoundation.org to learn more about remarkable vets, amazing pets and the wonderful stories they create.
